

CVRT Position Available

Ideal Candidate will be dually certified as CVRT and COMS

Vision Rehabilitation Services of Georgia (VRS) seeks Certified Vision Rehabilitation Therapist. Founded in 1983, the organization continues to position itself to meet the increasing demand for services in the north Georgia area. VRS is a growing, creative and client-focused organization.

Located in Smyrna, one of greater Atlanta's most thriving small cities, VRS uses a community-based model for providing most of its services in the client's home, school or workplace. VRS's service delivery area encompasses 30 counties in north and northwest Georgia. As the only community based provider in all of north Georgia, CVRT and COMS are required daily travel covering rural as well as urban and suburban communities. Self-motivation, love of adventure, seeing challenges as opportunities and an entrepreneurial spirit is required.

During peer review site visits for re-accreditation with the National Council of Agencies serving the blind and visually impaired (NAC), the organization is consistently commended for its high caliber professional teaching staff.

Salary commensurate with experience and skills. Benefits available. Some weekends required.

Please send resume to the attention of Nancy Parkin-Bashizi, Program Director, at nbashizi@vrsga.org or fax to 770-432-5457 to the attention of Sharon Croyle or mail to VRS; S. Croyle; 3830 South Cobb Drive, Suite 125, Smyrna, Georgia 30080.
